[My_Portfolio](#)

SUMMARY

Motivated frontend developer with 1 year of experience, skilled in React JS, JavaScript, HTML5, CSS, Tailwind CSS, and MySQL.

Passionate about building user-friendly, visually appealing websites and eager to deepen expertise in React JS and Frontend Development. Committed to enhancing interactivity and user experience while contributing to dynamic team projects.

WORK EXPERIENCE

Wooziee (Drixby Solutions Pvt. Ltd.)

June 2025 - Pursuing

Worked as a Web Developer Intern at Wooziee (Drixby Solutions Pvt. Ltd.), building responsive interfaces using React.js and Tailwind CSS. Translated UI/UX designs into components, integrated APIs, optimized performance, and collaborated with the team to ensure a smooth user experience using Git for version control.

AVSS EFORM(INDIA) PRIVATE LIMITED

March 2024 - Jan 2025

Worked as a backend developer responsible for building and maintaining web applications using PHP and the Mezzio framework. Developed responsive front-end interfaces with HTML, CSS, Bootstrap, and JavaScript. Collaborated with the team to integrate APIs, manage databases, and ensure smooth functionality of dynamic features. Also contributed to debugging, code optimization, and ensuring cross-browser compatibility for enhanced user experience.

DigitalBitHub (Internship)

Nov 2023 - Feb 2024

Worked as a front-end development intern focused on creating responsive and user-friendly web interfaces using ReactJS. Collaborated with senior developers to convert design mockups into functional components. Gained hands-on experience in component-based architecture, state management, and integrating REST APIs. Also practiced best coding standards, version control using Git, and ensured cross-browser compatibility.

EDUCATION

Master of Computer Applications (MCA)

Jan 2025 - Current

Amity University (Online)

Specialization: Machine Learning & Artificial Intelligence

SHAPE MY SKILLS: Full Stack Python

Aug 2023 - Feb 2024

Trained in full stack development using Python and Django. Built responsive web applications with HTML, CSS, and JavaScript, and worked with MySQL for database management.
